

Pre-Beginner's Equitation

- Enter at the walk and turn left
- Continue walking to 'K'
- At 'K' begin trotting
- Using approximately $\frac{1}{2}$ of the ring, trot a circle
- At 'K', halt, then reverse and continue at the walk
- Walk to 'F'
- At 'F' begin trotting down the diagonal line to 'H', at 'H' turn right and continue trotting back to 'F'
- At 'F' slow to a walk and exit the ring
